Potentate's Message

What a privilege and honor it is for me as a Master Mason to be Potentate of your temple. Freemasonry has given me many opportunities that I would not have had if the members of Alpha Lodge had not accepted me to become a member almost forty years ago. I want to thank my wife Frances for all of her support and understanding in all of my endeavors in masonry. I was an active member in the lodge before we were married. She accepted that and she continues to support and help in any way she can. I think she will be an outstanding First Lady for Kerbel.

Freemasonry is the world's greatest fraternity. It takes good men and teaches them how to become better men. One of the first questions a man is asked on his journey to become a freemason is “Do You Believe in God?” Each of us answered yes or we would have been removed and not permitted to go any further. Masonry does not accept ungodly men. They are considered untrainable and our fraternity does not have a place for those men. Masonry calls the men who take part in the degrees Ritualist but they are really teachers or trainers teaching the men the great moral lessons of masonry. They take us as a Rough Ashlar and with proper training we become Perfect Ashlars. We are taught about the three great tenants of a Mason’s Profession Brotherly Love, Relief and Truth. Those noble principles of our profession without which Freemasonry would be only as sounding brass or a tinkling cymbal. After we have been found to be proficient in the teachings of masonry, finally, the big night arrives, the date for you to become a Master Mason. It is here that we are taught about how men are to treat and respect their ladies, family and brothers, and what the words help, aid and assist really means to a Master Mason. I ask each of you who have not attended your lodge and witnessed each of the three degrees recently to do so and listen very carefully to the teachings of masonry.

There is a reason why Shriners International bases their membership on masons. As we have continued our journey we are told “If you have taken to heart the lessons taught in masonry you are a master workman completely furnished for the laborers and duties of life.” Now that we have been completely trained on the proper conduct, how to treat others, and with this background in place these Masons are now ready to become Shriners. The Shrine teaches compassion, compassion for the shrine children that we love so dearly. Shriners

Greetings Nobles and Ladies,

I am in hopes that you are well and that you had a wonderful and safe holiday season. As we embark on another year of Shrine activities let us all be reminded of the many blessings that we as an organization and as individuals have received. 2019 was a great year for Kerbela Shriners. We were certainly honored to have Potentate and First Lady Ill Sir Bill and Lady Nancy lead our Temple. They represented Kerbela Temple and the Nobility with grace, dignity, and honor in all aspects throughout our organization. We wish them well with their future endeavors and full retirement. I am certain they will be with us in the future.

2020 will bring us many new ideas, new members, and new leaders within our Temple. Illustrious Sir Jeff White and First Lady Frances have a full agenda of many activities that will both lead and advance our Temple. They will continue to take our Temple in the right direction. I strongly encourage all Nobles to take an opportunity to talk with the Potentate and get to know him as a person and a brother. I am certain you will find his clear-cut agenda and direction is for the betterment of Kerbela Temple and the Nobility.

I would like to congratulate Noble Dusty Carroll for being elected as our new Oriental Guide. He and Lady Paula will be an asset to the Divan and Kerbela Temple. Please welcome them to your Board of Directors.

Nobles, we have a lot of good things happening in Kerbela Temple and many, many Nobles who want to move forward and continue to grow and prosper. Let’s take the negative happenings and talk and turn it to positive talk and happenings. We will be, by far, better off.

Our poster child visits will be starting soon so PLEASE, PLEASE, PLEASE come out and support your Shrine Club as the Divan and our Ambassador Elliott visits. Make him feel welcome. Elliott, his Mom and Dad are all extremely excited and anxious to get started, so please show your support for them.

As a personal point of privilege, I would like to say Thanks to Scooter and Brenda Trotter for a job well done. They have served this temple well and I know they are looking forward to some slow time to re-group and enjoy retirement. JOB WELL DONE!!!

In closing, I would like to say thank you for entrusting me to the office of Recorder again this year. I am humbled by your support. As I have always tried to perform all duties with Kerbela Shriners interest as the #1 priority, I pledge to continue the course.

Respectfully I remain,

C. Wayne Burkett, P.P./Recorder

have accepted the responsibility of doing their part to support the World’s Greatest Philanthropy Shriners Hospitals for Children. This is not a responsibility that should be taken lightly by any Shriner. Here at Kerbela we will do our part in supporting Shriners Hospitals for Children.

I am asking every Shriner in Kerbela to renew their commitment. As all of you know we are fewer in number than we once were but we still have the same responsibilities and same building that is a shining light on top of the hill for all to see. It just means that we will have to continue to work harder than those in the past have had to do. I ask each of you to do your part in making Kerbela Temple your priority. We have many fun and rewarding things planned for this year but we also have a lot of work planned as well. I encourage each of you to talk about Shriners as you did the first day you went back to work after you had been initiated and traveled the hot sands. Ask people you go to church with, people you meet in your everyday life if they are a Freemason. You might be very surprised what a complete stranger answer might be. The blue lodge is a perfect place to get Shriners, they have met all the requirements to become a Shriner. Attend every Master Mason Degree at your lodge that is possible and ask the newly raised Master Mason to become a Shriner. It is my goal that every Master Mason raised in the sixty-six lodges in our jurisdiction are asked to become a Shriner. Please do your part in helping us grow Kerbela.

As I previously stated earlier about being completely furnished for the labors and duties of life. Nobles now is the time for us to put to practice what we learned early on in our masonic career. Now is the time for us to lay aside our differences, whatever they may be and move forward as one team working for the good of Kerbela. Let all private animosities, if any unhappily exist, give place to affection and Brotherly Love. As we move forward in the new year I want each of you to know that 2020 is not about Jeff White but, what is good for Kerbela Temple. My door is always open to a noble to discuss whatever he has on his mind. I encourage every noble who has a question to ask. Nobles, I have heard what you have told me and I plan on letting the nobility of our temple know about the business of Kerbela and keep them in the loop as to what is being considered by your divan. I may stumble or even fall this year but if I do I ask each of you to remember when the misfortunes of a brother call for aid we should not withdraw the hand that might keep him from sinking. Your elected divan is committed to doing what is best for Kerbela. Kerbela will be our priority. We will support every club and unit in all their endeavors. I just ask that each club and unit establish programs and events that will be good for Kerbela. I thank each Noble and their lady who has volunteered to serve on staff this year. We have four nobles who have not served on staff before, I hope you will find this to be a rewarding experience.

Just remember if you have positive purpose in your heart before you leave home to attend a shrine meeting or function that is good. That positivity will give you the mindset to make the meeting or function fun and enjoyable. Nobles and Ladies thank you in advance for all your support in making Kerbela Temple one of the premier Temples in all Shrinedom.

Thank You
Jeffrey “Jeff” P. White

Well 2020 is officially here, it definitely came in with a full head of steam. We hope everyone had a wonderful Christmas and a great New Year. The New Year’s Eve Party was a huge success and we hope everyone enjoyed themselves as much as we did.

Now that the holidays are in the rearview mirror it is time to slide into the “slow” season and get back to our regular routines. We are looking forward to the upcoming year and to see what Illustrious Sir Jeff and Lady Frances have planned for us. I’m certain that it’s going to be a busy yet fun filled year for Kerbela.

Congratulations to the elected divan for 2020 and to all the units, clubs and individuals that received awards and recognition for 2019. A couple of Special Congratulations are in order firstly to our newly elected Oriental Guide, Dusty Carroll. Secondly to Our Captain Michael Byrd on being named Shriner of the Year.

We were also honored to meet our Patient Ambassador for 2020 Mr. Elliot and are looking forward getting to know him. There is no doubt that he will be a wonderful representative for Kerbela this year.

Also, we wish to extend a warm welcome to all our newly made nobles. Please take time to introduce yourself and make them feel welcome. To our new nobles please visit around with the Units and see if there is one you may be interested in joining. This is a great way to stay active.

We are so excited for the upcoming year and all the activities that are heading our way. As we all do every year by making resolutions let us all take the time to make this one together, “I’m going to try and be more faithful and participative in the functions here at Kerbela and to our respective clubs and units.” Also let us not forget to attend our Blue Lodges when we can. Showing up at your Blue Lodge may just be what it takes to reach that lodge member that is interested in becoming a Shriner.

Michael Byrd has been sentenced, I meant elected, to another year as our captain and we are looking forward to what ideas he has in store for us.

Remember, we are a family here at Kerbela and it takes all of us working together to achieve our goals as Shriners.

God Bless You All!!!

Hello Trampland. Boy, I sure miss my flip-flops!

Coming soon:

- Unit Planning Meeting for the year in the Unit Room, 6 PM.
Bring ideas and something to chew on, Pot Luck! Hopefully they will have the heat on.

February 4, 2020 - Unit Meeting at Kerbela, 7:00 PM. Pot Luck - bring an appetite.

I hope everyone had a great Holiday season and is looking forward to having fun in 2020 because “Head Tramp”, Mike Turley, has some new and Fun Runs planned for the Unit.

Speaking of Mike Turley, I would like to congratulate Mike on being elected as “Head Tramp”. Remember it’s a hard job, kind of like herding cats, but Captain Mike will do an outstanding job leading this bunch of misfits. He is excited about the task in front of him and has already been busy making plans for this year. We just need to jump in, hang on, have fun and help him out.

The Unit’s Christmas Party was a huge success with a lot of great food, good friends and a great time for all the Tramps. I want to thank Jim Paull for his work, with the help of JoAnne, in planning the party. And BTW, I loved my Bigfoot cup and I might need the Sasquatch soap. Thanks to Darrel and Annette.

To tease you a little and to give you a small preview of the year to come, can I announce a few plans for 2020:

February - Valentine’s Dinner with our Ladies 6:00 PM at TBA
April 7, IMPORTANT - Chili Supper 6:00 PM to 7:00 PM at Kerbela. The Supper will be $8.00 for all the chili you can eat. Tell all your friends.

May 7,8 and 9 - FUN FEST in Pigeon Forge - Music Road Hotel or maybe around the campfire at the Riverbend campground.

June - TBA (Will be decided at the January Planning meeting)
July 17, 18 and 19 Crimson’s Rise from the Ashes Run, Arab, AL. For rooms contact the Quality Inn in Arab, AL 256-586-5777.

If you’ve never been to Arab, you’ve never been anywhere.

I will be able to let you know a complete schedule in the March/April issue of Kerbela Knews.

On a personal note, I would also like to take this time to say Uncle Ben Barbee, I will miss you. I was honored to have been able to call Ben a friend and a Brother. I don’t know of a kinder, better man, or Shriner than Uncle Ben. He loved Kerbela and our Shrine Kids. I will always remember how excited he was to be able to make the trip up to Camp Yuliba.

Well, I guess I better get out of here and throw another log on the fire but that should get us started for the year. I will warn you, there’s much more to come, so get those bikes polished up and ready to roll. Hopefully it won’t be too long till Riding Time.

**Kerbela Engineers**

Another year has come and gone. Elmo the Train has had another great year, a total of 22 gigs. Many kids have really enjoyed riding him along with many parents and yes, grandparents alike. Here is 2020 and looking forward to another busy year.

It is with a saddened heart to report the loss of another great Engineer. Noble Doyle Carpenter has taken his final train ride to his heavenly home in Heaven. He will be missed by his wonderful family and friends including his Elmo the Train Brothers. Brother Doyle was a joy and a friend, our Chaplain for the unit as well for the Shrine Club. He was faithful and always had a smile and a word of encouragement. Rest In Peace my Brother, we will meet again.

May God Bless our men and women in our military, pray for their wellbeing and safety.

Cabiri
Greetings from your Cabiri! Congratulations to Ill Sir Jeffery White and the 2020 Divan. This promises to be a great year for Kerbela. At the annual meeting and installation of your 2020 Divan, Imperial Sir Jim Cain challenged every noble to assist with the goal of helping our great philanthropy, Shriner’s Hospital for Children. His words resounded in my ears. This year, the Cabiri pledges to assist the Potentate and Divan in this effort. Together, our potential is unlimited. None of us is as good as all of us. If we can be of assistance to you or you have any questions or concerns, please feel free to contact me or any member of the Cabiri. Until next time, Shrine on!

Chaplain’s Article
Illustrious Sir spoke of masonry as the foundation for Shrine. The importance of the foundation evidenced in many ways even Holy Scriptures make note of the importance of foundation referring to either on sand or rock. I had an example of the importance of foundation when I spent no small sum to have 14 pillars driven 20 to 24 feet to find solid base to raise and support a sagging foundation.

All of this has come together to cause me to think about our Masonic foundation. Occasionally we need to examine our foundation to make sure it is supporting our thoughts and actions in a virtuous manner. Does it give firm support or does it need a pillar or two to hold it up?

Let us consider some of the tenants of masonry to see how they are supported: walking up right before God and man, squaring our actions by the square a virtue, walking on the level, treating all equally; does that portion of the foundation need a pillar to lift it up and support it? How about friendship, morality and brotherly love? Do we practice that in our daily lives to even the unlovable?

Charity, most of are pretty good at that but then what about circumscribe our desires and passions? It doesn’t say circumscribe our moral actions. It says circumscribe desires and passions.

At another recent installation we were admonished to get out our blue book and go through it to be reminded of the variety of the teachings and tenants of masonry moving, them to our forefront in our thoughts and actions.

At the very beginning of our masonic year, we were told that this is the foundation for building your future masonic life. That building should not stop, it continues.

When we left the west and traveled we were in search, that search should not stop with that third light. Masonry should be a journey, not a destination; we should continually search for more light.

When we travel around that circle we necessarily touch upon...; note: travel around (a non-ending) circle; a journey of continuing growth.

May God bless each of us as we endeavor to better ourselves within this fraternity.

Congratulations to Illustrious Sir Jeff White and the 2020 Divan. We look forward to working with you to help the children of Shriners Hospital. Thanks to everyone who brought food or a monetary donation for the Shrine Memorial Service. We have several ladies who lost nobles in 2019. A special thank you to Noble Mike Smith and Pr Donna Duke who washed and dried the glass trays and silverware!

On December 12th Queen Denise hosted our annual Christmas get together. There was lots of food and fellowship and a fun gift exchange. The room was decorated with a beautiful tree, snowmen and fresh flowers and candles on the tables. Please keep Past Queen Carolyn in your prayers, and I’m sure she’d love to get cards.

With love and hugs,
Past Queen Judy

Have You Been Wearing Your Fez to Shrine Events?
FUND-RAISING ACTIVITIES

It is natural to associate the fez with Shriner Hospitals for children. Because of this, meticulous attention must be given to all fund-raising activities, including circuses, to make certain that a contributor is not led to believe that his money will be used for the Hospitals when all or a portion thereof will be used otherwise. The integrity of our charity and of our fraternity must remain above reproach.

Your specific attention is called to the following fraternal and charitable bylaws:
§335.3 USE OF NAME
“SHRINERS HOSPITALS FOR CHILDREN.” The use of the name “Shriner Hospitals for Children” or reference to the Hospitals in connection with any fund-raising activity by a temple or Noble without the written consent of the Imperial Potentate and the chairman of the board of Trustees of the hospitals is prohibited.
§503.10 The use of the name “Shriner Hospitals for Children” or reference to the hospital in connection with any commercial product or business enterprise is prohibited unless the written consent of the Board of Directors and Trustees has first been obtained.

Now, therefore, IT IS HEREBY ORDERED:

1. Fund-Raising for Fraternal Purposes:
   (a) No Noble (in his capacity as a Shriner), club, unit, organization of Nobles or affiliated or appendant corporation, shall engage in any fund-raising activity without the express written consent of the potenti of the temple having jurisdiction thereof.
   (b) There can be no representation, express or implied, that the proceeds will be for the benefit of Shriner Hospitals for Children.
   (c) The temple potentate shall carefully examine all phases of the advertising, promotion and solicitation to determine that it complies with §335.3 and §503.9 of the fraternal and charitable bylaws.
   (d) The temple potentate must approve the terms and provision of any contract for a fund-raising activity after receiving the advice of the temple attorney, and, additionally, as may be required by the temple bylaws.
   (e) A copy of the temple potentate’s written consent shall be mailed to the Imperial Recorder. Further, such written material pertaining to the fund-raising activity, as requested by the Imperial Recorder, shall be promptly mailed to him.

2. Fund-Raising for Charitable Purposes:
   (a) No Noble (in his capacity as a Shriner), club, unit, organization of Nobles or affiliated or appendant corporations shall engage in any charitable fund-raising activity other than for Shriner Hospitals for Children. Permission therefore must be first obtained in writing from the temple potentate. The temple potentate must then obtain written permission from the Imperial Potentate and the Chairman of the Board of Trustees. This requires for written permission shall be sent to the Executive Vice President-Fraternity, Imperial Council, P.O. Box 31356, Tampa, FL 33631-3356
   (b) 100% of the net proceeds from the charitable fund-raising must be given to Shriner Hospitals for children except for such portions therefor as may be permitted to be retained for the temple Shrine Hospital Patient Transportation fund pursuant to the Special Purpose Charitable Funds provisions of any existing General Order.
   (c) The temple shall report the result of each charitable fund-raising activity within sixty (60) days of the activity, to Shriner Hospital for children, on the Shrine Charity Activity Form (CAF) provided to the temple.
   (d) This section shall not apply to activities exempt under §335.4(b) of the bylaws of The Imperial Council.
   (e) Each independent corporation or entity that receives the permission of the Imperial Potentate and the Chairman of the Board of Trustees to raise money for Shriner Hospitals for children, and which does not have its financial accounts audited pursuant to §335.4 & §337.8 of the bylaws of the Imperial Council, shall have its financial accounts audited by a certified, chartered or licensed public accountant and shall submit such audit report to The Imperial Council within 120 days of the activity.

3. Statement of Purpose and disclosure:
   (a) Every fund-raising activity must contain information on its solicitation materials, tickets, programs and documents regarding the use of the proceeds.

Examples

   “Proceeds are for the benefit of (_________ Temple) (_________ Shrine Club) activities.”
   “Proceeds are for the benefit of Shriner Hospitals for Children.”

(b) Every fund-raising activity which is not entirely for the benefit of Shriner Hospitals for children shall prominently state on the solicitation material, tickets and documents that “payments are not deductible as charitable contributions.”

(c) There must be compliance with the Revenue Act of 1987 provision of any existing general order by U.S. temples.

4. Compliance with Applicable Laws:
   It is the responsibility of the temple potentate, after receiving the advice of the temple attorney, to determine that there is compliance with all applicable laws in its jurisdiction for the temple’s fund-raising activities.

5. Financial Records:
   (a) The temple shall maintain detailed financial records pertaining to all fund-raising activities involving Nobles, clubs, units, organizations of Nobles or affiliated or appendant corporations. Details of all revenues and disbursements shall be maintained in such financial records.
   (b) The temple must retain such detailed financial records for a period of seven (7) years.
   (c) There must be compliance with the financial Reporting on charitable Funds and Activities provision of any existing general order.

6. Notification to Nobility:
   A copy of the fund-Raising Activities provisions of this General Order shall be printed in the temple publication at least once every calendar year. If there is no temple publication, then a copy shall be mailed to each Noble in the temple not later than the last day in March of each calendar year.

7. Discipline:
   Any officer, Noble or temple which violates a provision of Fund-Raising Activities is subject to discipline pursuant to the bylaws of The Imperial Council.
